**Bier:**

**on tap:**

*In our house we offer you seasonal, as well as from the desire for new different kinds of beer.*

*We always make sure that these are not so-called contract breweries, that they are not served in the surrounding area to a greater extent and that they are of high quality craftsmanship.*

*Our team will be happy to inform you about our current types of beer, which normally consist of wheat beer, Pils, pale and an exceptional one.*
